How did you feel before you came to The Look for Success?

Before I came to The Look For Success I felt shy about getting my make-up done because I came in with make-up already and I knew it wasn't close to professional looking. I was very anxious however.

How did you feel after you had your makeover?

After I had my makeover, I felt extremely good. I felt so good that I kept giggling. I definitely learned a lot and got exactly what I wanted - a beautiful glow! I was afraid of using no eyeliner but now I know my eyes are even more gorgeous without it. Thank you Tes (?sp) and Thank you Look for Success!! I love it. :)

Would you recommend The Look for Success to others?

Absolutely! Wow I'm still shocked at how good it feels. I will bring participants with me next year, if The Look For Success comes again.
