Some of my Goals in three years is to graduate for my best. From High School And have a good Job to get a lot of Money.

I need to Continue going to School no matter what puts me down and just try to do the best to have an education. First of all get off of probation and then study as much as I could to now more about anything like study about Veterenarian because I love will like to be a doctor for animals and that is my goal. After I graduate I want to study for Veterenarian. And I need to get to school and Read lots of books in order for me to have what I want.
